

Macinnis, a L (Chancellor, McMaster University) Nov. 1919 - March 1920 (1935)

November 1st, 1919

Chancellor McCrimmon,
 Belfast University.

Dear Chancellor McCrimmon:

The Honourable Mr. Cady has communicated with me as Chairman of the Matriculation Board urging that the Matriculation Board should co-operate with the Department of Education in the appointment of examiners for Matriculation with a view to the same examiners being chosen by the Department and the Matriculation Board in order that the examinations may be unified next summer.

The University of Toronto is strongly in favour of such an arrangement and as I remember the expressions of opinion that have come from your university they have been to the same effect.

Would you be good enough, if your University agrees to this co-operation, to instruct your representative on the Matriculation Board to take action on this line at the meeting to be held to appoint the examiners?

Yours sincerely,

President.

Chancellor A. L. McCrimmon,
McMaster University,
Toronto.

Dear Chancellor McCrimmon:

I have been keeping you in mind and at the last meeting of the Board authority was given to me to approach Mr. Stewart Wallace with regard to the Assistant-Librarianship. I saw him on Friday, and I am to see him again to-day. My own belief is that Mr. Wallace will accept the offer of the University and I think that it would be well for you to speak to him about the matter as soon as possible.

I regret to have made this addition to your other worries, but we do not see any other solution to our difficulties, and I am afraid one acts very selfishly often in university affairs.

Yours sincerely,

President.
